BRITISH SOCIETY FOR INVESTIGATIVE DERMATOLOGY

The Annual Meeting of the British Society for Investigative Dermatology will be held on Thursday and Friday, 15–16 September 1994 at the University of Bath.

Abstracts are invited for oral and poster presentations at this meeting, and awards will be made for outstanding presentations.

The meeting format includes an overseas guest speaker, Dr. Madeleine Duvic, talking about “Recent Advances in Psoriasis,” and a local expert on “Connective Tissue Disease,” and abstracts are particularly invited on these subjects.

Young Investigators may apply for bursaries to assist attendance at the meeting provided that they are co-presenters at the meeting, and there are two BSID Young Investigator Awards (one for the UK and one for Eastern Europe and the Developing World) from competitive applications.

Details of how to apply for Bursaries and Fellowships, and Abstract Forms are obtainable from Valerie Brame, BSID Conference Office, PO Box 32, Woodford Green, Essex IG8 0UR. Tel, 071 377 7724; Fax, 071 247 6509.

Deadline for receipt of Applications and Abstracts is Friday, 22 April 1994.
